

## Information about Tax Calculation

Non EU: No Tax Customer outside the European Union don't pay taxes. Therefore after registration no taxes are indicated and calculated.

### EU + VAT-ID: No Tax

Customer of the European Union having a valid TAX/VAT ID do not have to pay taxes in Germany, but probably in their own Country. Please fill in the correct TAX/VAT ID and taxes will not be indicated nor calculated.

### EU - VAT-ID: 19% Tax

Customer of the European Union without a TAX/VAT ID have to pay taxes.

### DE: 19% Tax

Customer in Germany have to pay taxes. Even if they have a TAX/VAT ID.

NOTE: Tax calculation of your orders correlates with the country which you have indicated during the registration process / in your account profile and whether you have filled in a TAX/VAT ID. At Account and Bill To Information you can see this information.
